**Response is required*

ELIGIBILITY CRITERIA FOR APPLICANTS

- Demonstrated experience conducting research and analysis on policy processes and governance in Iraq, including on fiscal policies.
- Organizations can be based in Iraq or elsewhere, but must have staff present in Iraq to carry out research.
- Experience working with an international non-governmental organization, or the United Nations would be an asset.
- Applicants must have established outreach capabilities in Iraq with Ministries and other governance structures, including nation-wide

Applicants must display efficient management in the form of financial, administrative, and technical policies and procedures, and present a system of internal controls that safeguard assets; protect against fraud, waste, and abuse; and support the achievement of program goals and objectives.

- Applicants must have an organizational PSEA policy.
- Sound donor reporting skills (abiding to strict data confidentiality agreements) and use of monitoring and evaluation tools.
- The proposal should demonstrate inclusiveness and respect for diversity and should take into consideration the engagement of vulnerable populations and have a gender sensitive approach.
- The applicant should be able to demonstrate sufficient staff capacity and expertise to implement the project.
