

AVSI's presence and commitment in Iraq date back to 1991. We carried out emergency health activities until 1996 and educational projects from 2003 to 2006.

In 2014, we started operating in Iraqi Kurdistan to tackle one of the present-day most complex humanitarian crises and we stand alongside the many Iraqi families displaced by the war.

AVSI, under the framework of its project “Strengthening resilience in dealing with crises and conflicts in Ninewa (SRN) in Iraq funded by the German Corporation for International Cooperation “GIZ” is launching this Open Local National Tender to secure competitive proposals to select Vendor(s) to supply **“Supply, Delivery, and Installation of Greenhouse Structures, Agricultural Equipment, and Hybrid Seeds”**
